

Acoustic Songs of the Sixties Night

Saturday, May 2, 2026, at 7pm

First Church, 165 Main St., Amherst MA

Come join us for a joyful evening celebrating the music of the 1960s! The Pioneer Valley Folklore Society invites performers and music lovers alike to gather for **Acoustic Songs of the Sixties Night**, featuring a lively mix of familiar hits and forgotten gems from one of music's most inspiring decades.

Musicians from across the Valley—seasoned headliners and first-time performers alike—will lead the songfest. Each participant may share one or two songs from the 1960s. Acoustic instruments are encouraged (guitars, ukes, hand drums, accordions, sitars, etc.), though electronic keyboards and direct lines can be accommodated. Microphones for instruments and vocals will be provided, and there's a tuned piano on hand.

Want to perform?

Sign up by emailing **Paul Kaplan** at paulkaplanmusic@gmail.com.

If you'd like to do two songs, please list them in order of preference—space may allow for only one per performer. Send your selections early before your favorites are claimed!

All are welcome!

The event is open to the public and family-friendly. Admission is by donation (suggested \$5–10) to help support the Pioneer Valley Folklore Society and cover the hall rental for next season. Listeners, come sing along and enjoy the spirit of the '60s!
